Re.: United States v. Michael Bass
07 Cr. 887 (GEL)

Dear Judge Lynch:

Please accept this submission as a request to modify Michael Bass' bail conditions.

At the present, the defendant has a 9:00 p.m. curfew. The defendant requests removal of any curfew in light of work requirements this time of the year. I have spoke to U.S.P.O. Xiomara Rojas who is supervising the defendant while at liberty. She informs me that the defendant is in full compliance with his bail conditions and that there is no need for a curfew and that she has no objection to removal of same.

I have spoken to A.U.S.A. Marissa Mole regarding this application, she in turn spoke to Ms. Rojas, and as a result the Government has no opposition to curfew removal in light of Ms. Rojas' position

Therefore, the Court is respectfully asked to remove the curfew as a condition of the defendant's
bail.

Respectfully Submitted,

Christopher Booth
Attorney For Michael Bass
